

Privacy Policy

Thomas Lindner, DL2RUM built the QSO Upload Utility. This app is intended for use as is.

This page is used to inform visitors regarding my policies with the collection, use, and disclosure of Personal Information if anyone decided to use my app.

This Application doesn't collect any data. There are no add ons, no advertisings, no statistics and no home calls. The App stores only data you have entered in the Preferences. These data are required to perform the desired upload tasks.

All data will be retained on your device and is not collected by me or others in any way.

The app does not use any third party services that may collect information.

Security

Requested uploads are done always via a secured https connection.

But remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and I cannot guarantee its absolute security.
